

MAZDA

Motorsports is an important part of Mazda's heritage, and racing is at the heart of it all. We're very proud to have so many independent racers across the country that choose to show their passion behind the wheel of a Mazda. That's why we're happy to announce the return of our contingency program for the 2017 racing season!

We have decided to carry the same prize structure forward from 2016 for CTCC, details of which are below.

3rd - \$500
