Friday, May 18, 2018 – 8:00 am to 12:00 pm

presented by

Paddock Parking

CTCC Paddock will be located on the upper level.

Personal vehicle parking shall be on the grass field directly adjacent to the lower paddock or the grass field west of the paved driveway after the bridge and before the stop sign. Crew, sponsor or other vehicles shall not be parked in the main paddock area without the permission of the CTCC officials. Speed Limit in the Paddock will be 10km/h.

Start/Finish Line Coordinates

Competitors must input into the AiM data loggers the following track information.

Latitude: 44.054413

Longitude: -78.674458

Track width: 66M

GPS coordinates can also be downloaded from the AiM, "GPS Manager."

Annual Technical Inspection

Annual technical inspection will be available at the CTCC Support Trailer on: Thursday, May 17, 2018 from 5:00pm until 8:00pm; Friday, May 18, 2018 from 8:00am until 7:00pm (except 30 minutes before or during scheduled track sessions). This annual inspection must be completed and an annual sticker affixed to the car before the first Qualifying session on Saturday, May 19, 2018. Along with Driver's Safety Equipment, Vehicle log books must be presented at the time of inspection. For new cars or cars that have not competed with the series in the past new log books will be available at the time of inspection. ***For returning cars that do not have their current log books, replacements will be available at a cost of \$50.***

Official Notice Board

The official Notice Board will be located at the CTCC support trailer in the paddock area.

Pit Lane Rules

Speed limit in pit lane is 60km per hour unless stated lower in the Promoters' Supplementary Regulations. A maximum of 2 crew persons per car, for the purpose of signaling are permitted at the pit lane wall during the CTCC track sessions.

presented by

Practice, Qualifying and Race – Horns

A Horn will sound prior to the beginning of all official Track Sessions informing the competitors that they may leave their assigned Paddock Parking and proceed to the Mock Grid. Cars are not permitted to leave their assigned Paddock Parking until the Horn has sounded.

Fuel and Tire Orders

Fuel and tire orders are due to the respective suppliers **two weeks** prior to the event by **Thursday May 3rd, 2018**.
